Their pro bono representation is next. Dropping some legal bombs on them. Why would a wealthy middle-aged Ivy-league educated lawyer need a pro bono lawyer? I will look forward to hearing the false stories told to solicit their sympathy and representation.

No one would drill Catherine Schaefer. She has serious self esteem issues to fabricate so many exotic and crazy stories that have since been proven incredibly false. I get the creeps being in the same building as her. What a loser. She is desperate for attention.

Corrupt U.S. Attorney is definitely on the autistic scale. She thinks everyone hits on her or thinks she is beautiful. This is false. Most women live life without attacking any man who gives them compliments. Her actions are indicative and symptoms of mental illness.

Facing significant media pressure, it keeps on getting worse for [@MNCourts](#) / Referee Elizabeth A. Clysdale, David E. McCabe, and Corrupt U.S. Attorney. As explosive court documents show each continued a pervasive pattern of extreme misconduct and corruption.

I am at [@EDC_LasVegas](#) right now. FUCK YEAH! Defeating corrupt U.S. Attorneys is easy. Defeating corrupt [@MNCourts](#) judicial officers is easier. Defeating corrupt Saint Paul Police Department officers is the easiest.

[@NevSchulman](#) is a bonafide queer. This man deserves every bit of this publicity. Catherine Marie Schaefer - who has Munchausen syndrome - attempted to catfish me for years before her true actions were recently revealed in explosive court documents.

A little wise advice for David E. McCabe: Find a good lawyer. #MAGA

McCabe should be scared. He violated the law and If found factual you have a claim against St Paul and St Croix sheriff

Why hasn't Referee Elizabeth A. Clysdale been properly investigated?

I would welcome @HarveyLevinTMZ's input on this #cucklaws. @andersoncooper might have input too. @amysteadman4 could help with any OXY prescriptions for the ass-et (asset) pain post divorce. Maybe @lindsaylohan needs a new lawyer? @jenna_marbles @kanyewest @TheEllenShow

Wallack, you're an expert scuffer and polisher of pools. But, I hear you're also an expert on #cucklaw. A national crisis is emerging among #cucked husbands where their wife takes all of their ass-et (assets) during divorce proceedings. @clarkeja @frankrichny @KellyRutherford
